

## Boston Market Cranberry Walnut Relish

1 orange  
2 cups fresh or frozen cranberries  
(about 8 ounces)  
 $\frac{3}{4}$  cup sugar  
 $\frac{1}{4}$  cup chopped walnut pieces

Finely grate the zest of half of the orange into a medium saucepan, then squeeze in all of the juice. Add the cranberries, sugar and walnuts and cook over medium heat, stirring occasionally, until the mixture thickens and the cranberries start to pop, about 10 minutes. Let cool.
