

## Rustic Apple Cake

1/4 cup olive oil (or coconut oil)  
2 eggs  
3/4 cup unrefined sugar (or 1/2 cup)  
1 teaspoon vanilla extract  
3-4 apples, thinly sliced  
1/2 cup whole wheat pastry flour  
2 teaspoons aluminum free baking powder  
1/2 cup low fat milk  
powdered sugar, optional

Preheat oven to 350°F. Grease and flour a 9 inch round pan. In a bowl, beat eggs and sugar for 2-3 minutes. Stir in oil, and vanilla and combine. Stir in flour and baking powder alternating with the milk. Stir in apples, coating every piece with batter. Pour batter into prepared pan.

Bake for 55-65 minutes or until cake pulls away from pan and is brown on top. Cool for 20-30 minutes before serving. Sprinkle with confectioner's sugar if desired.
